

SUPERBOWL

TOILET BOWL CLEANER

**BENEFITS:**

- Removes rust, scale, toilet stains and algae
- Leaves the toilet smelling clean and fresh
- Non Hazardous (as classified by Worksafe Australia) and Septic Safe
- Safe to use on porcelain, stainless steel, tiles and most surfaces

Superbowl is a unique and specially formulated toilet bowl cleaner! Superbowl can easily and quickly remove a number of different soils and stains from toilets and urinals including rust, scale, hard to remove toilet stains and algae growth. Superbowl has been specifically designed to efficiently clean toilet bowls, including the rim, bowl and seat. Another fantastic function of Superbowl is the fact that it can also effectively clean urinals. The colour of Superbowl is a beautiful turquoise and the fragrance is light and refreshing.

Superbowl is a non-hazardous toilet bowl cleaner as classified by Worksafe Australia. It is ideally suited for all toilets and urinals including systems operating on septic tanks. Superbowl is packed in 15 litre, 5 litre and 1 litre bottles. The 1-litre bottles have a special applicator for squirting solution under the rim of the bowl or urinal!

DIRECTIONS FOR USE

Toilet Bowls:

Press cap of container, insert bottle and squeeze to direct Superbowl into the bowl beneath the rim. Swab all areas of the toilet bowl, using a toilet brush, with Superbowl solution making sure that the area beneath the rim is thoroughly cleaned. Swab toilet seat with Superbowl solution and wipe dry with a soft cloth or toilet tissue.

Urinals:

Squeeze bottle to cover entire urinal area with Superbowl and swab with toilet brush. Immediately after swabbing flush generously with water.

CAUTION

Being acidic in nature bowl cleaner should not be used on surfaces that may be reactive to acids such as Aluminium, terrazzo, concrete, marble etc.

Superbowl - March 2009, 1

SAFETY DATA

For further information refer to the Material Safety Data Sheet (MSDS) located on the Whiteley Industrial web site: www.whiteley.com.au

HEALTH AND SAFETY STATEMENT

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT

Whiteley Industrial manufactures products that comply with Australian and International environmental policy. Whiteley Industrial aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Industrial products are supplied in 100% recyclable containers.

Whiteley Industrial and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
