

CAPRICE™

## The Caprice difference

Paper is one of life's simple creations and delivering exceptional paper products is a passion at Caprice.

Caprice caters for every washroom situation with one of the widest ranges of paper towel and toilet tissue products on the market.

With an emphasis on quality, consistency and value for money, Caprice uses advanced manufacturing techniques to ensure fast production and is a proud supporter of Australian manufacturing.

Our commitment doesn't end when our product leaves the factory floor, Caprice takes full ownership over our supply chain, from manufacture to storage and delivery.

That's why we make sure every person you come into contact with at Caprice is determined to help make your job that little bit easier.

## The Caprice paper towel range

Caprice Paper feels different. Our roll towel products are made from superior super absorbent materials that deliver a hygienic solution and are suitable for both personal and commercial use. Available in 80, 90 and 100 metre lengths, Caprice roll towel is the economical solution for today.

Caprice Interleaf towel delivers great economical value while still obtaining excellent drying qualities. Portion controlled to eliminate waste, the Interleaf towel range allows for fast and mess free use. Caprice has a complete range of towel sizes and qualities to suit each type of dispenser.

Another great portion controlled option; The Caprice interfold paper towel range is of superior finish. Stone white in colour and lint-free, the paper quality is second to none.

Caprice offer a complete range of towel dispensers from economical and durable plastic to the modern look of stainless steel.
